AI Policy Overview

South Carolina lawmakers have yet to prioritize artificial intelligence policies broadly. However, for the 2024 legislative session, the House [created](#) a new special committee to examine the impact of artificial intelligence, as well as cybersecurity and cybercrime. Representative Jeff Bradley (R) will serve as chair, and he will ask the full House to vote on making the committee permanent. The 19-member committee is composed of 14 Republicans and 5 Democrats.
