

South Dakota | AI Policy Overview

Updated February 14, 2024.

AI Policy Overview

South Dakota lawmakers have yet to prioritize artificial intelligence policies broadly. However, lawmakers took up a handful of bills to combat the proliferation of deepfake media in the 2024 session, enacting a sexual deepfake law specific to child pornography.

Deepfakes

South Dakota enacted a law ([SD SB 79](#)) in 2024 adding computer-generated content to child pornography laws.
